## Mary Innes students enjoy various programs, events

### Notes from Mary Innes...

The first grade and kindergarten classes at Mary Innes School in Dillon celebrated Montana's 100th birthday with lots of festivities. Happy Birthday badges were worn and students had a program by Chris Boyd, a singer-storyteller from Bozeman and a sing-along by all the first and kindergarten students. Students had treats and shared a beautiful birthday cake which the hot lunch room staff baked. Earlier this fall the students enjoyed the school-wide heritage day. We certainly appreciated the time and effort donated by our many presenters.

Mrs. Hockett's first grade has been involved with many fun activities in math. Lately we've been working on number combinations and the students are really enjoying this.

Mrs. Mitchell's first grade class has been doing fun projects for the Montana Centennial Celebration. We are learning about the Indians who lived in our area and about the Pilgrims coming to America.

Our hand signing classes are learning signs for the Indians and how to sign for the voyage and activities of the Pilgrims.

Mrs. Valach's class has been busy with many different projects. We have done a unit on Indians and on Montana. Now we are learning about animals found in North America. We're also beginning to add and doing lots of reading.

Ms. Anderson's first grade has been working hard reviewing letter sounds and learning new words. We are ready to take off on reading!

We are doing fun, Thanksgiving and Montana art projects and singing songs about them, too!

Miss Samson's kindergarten classes are excited. We are learning the letters P and S and the number 1 and 2. We finished our Montana coloring books and we're now working on Thanksgiving projects such as our cornucopias.

Reading, writing and arithmetic seems to be the theme in Mrs. Nelson's first grade. The past quarter has been full of fall units of various types. We really enjoyed the apple, pumpkin and popcorn math, through which we learn to estimate, graph, add, subtract and do productive thinking. Our class has been fortunate to have Mrs. Kydee Schedel, as a student teacher

## Ostwalt receives leadership award

Leonard Ostwalt, Beaverhead County High School instrumental and choral director, was recently named to receive the state Leadership Award from the Montana Music Educators Association.

The award, presented at the All-State Music Festival, was

the only one given in Montana this year.

Ostwalt received the award for his "outstanding contributions to the Montana Music Educators Association." He has served five years on the Music Committee of Montana High Schools Association, eight years

as membership chairman of the organization and the past three years as treasurer.

Ostwalt received his Bachelor's degree from Eastern Montana College and is currently working on his Masters in secondary school administration at the University of Montana.

## DAR contest entries due Dec. 8

The Beaverhead Chapter of the Daughters of the American Revolution is once again sponsoring the DAR Good Citizen contest among area schools. The national theme is "A Century of Service to the Nation, 1890-1990."

The contest is open to senior

girls and boys. Only one student per school may be selected. Information concerning the contest has been sent to high schools at Dillon, Lima, Sheridan and Twin Bridges.

The faculty of each school chooses three seniors who best "exemplify outstanding qualities of dependability, service, lead-

ership and patriotism in their school, home and community." From the three selections in each school, the senior class chooses the school's Good Citizen.

Entries to the contest must be sent to Georgiana C. Andersen, chairman, 524 S. Pacific, Dillon, by Dec. 8.
