**Have Peace of Mind...**

*...play it safe with electricity.*

With all the festivities of the holiday season we need to take extra care to be safe around electricity. Make sure outdoor Christmas lights are UL tested and approved with proper grounding. Also, be sure to keep outdoor electrical connectors above ground and out of snow or puddles. Avoid overloading wall outlets and extension cords. You'll enjoy your holiday with peace of mind.

**Angel Fund honored; helps Grant school**

A Dillon woman, Kristi Benson, has been honored with the Daily Point of Light Award, from President Geroge Bush.

The award honors those who have made a commitment to secure for all Americans, especially young people, the fundamental resources needed to lead a productive life.

Benson was awarded The Point of Light, for creating the Beaverhead County Angel Fund, an educational charity serving Beaverhead County.

During her Thanksgiving break from attending Gonzaga

University, she presented the Grant School with a new digital camera and extra memory cards.

The technology equipment, and sacks filled with new school supplies including Microsoft Office Professional software, were delivered to the Grant School, during their Thanksgiving Meal, celebrated on November 22.

Joe Forbes, of Butte, donated the new technology equipment to Benson's Beaverhead County Angel Fund, requesting the equipment be given to the Grant School.

This is not the first set of digital equipment Joe has given to the

Angel Fund. Last February, Joe presented the Beaverhead County Angel Fund with a new Digital camera with memory cards, which were given to the Jackson School. Joe has also given complete computer systems to Benson's charity, which she distributes to rural schools throughout Beaverhead County.

She created the Beaverhead County Angel Fund while attending Beaverhead County High

School. She is now a sophomore at Gonzaga University in Spokane, but still maintains her dedication to her charity from a distance. Benson thanked her board of directors for promoting her charity during her absence from Dillon. Members of the Board include Rick Kuntz, Jo Ann Juliano, Mary Rouse, Mary Ann Sharon, Marilyn Benson, Kristi Benson and Walter Zobel, of Jackson.

**Congratulations, Michelle Lott of Butte on winning the Grasshopper Ladies Club Raffle.**  
Thanks to everyone who bought tickets.

Open: Mon. - Fri., 12 to 6 • Or by Appointment

**Makes presentation**

Kristi Benson, kneeling to the right, with teacher Penny Huxtable, standing left, and some of the younger children at the Grant, Montana School, took part in a presentation of electronic equipment from Benson's Angel Fund.

Benson formed the Angel Fund to help area schools while she was still a student at Beaverhead County High School.
