 College - Here
 Parade of Talent
Wednesday, Feb. 23 M.E.A.
Friday, Feb. 25 Sweetheart Ball

NEW NAME FOR EASTERN OFFICIAL

"Easterners" are no longer Normal--- at least, not in name. The change of name was made official when Governor Bonner signed the bill changing the name of the school to EASTERN MONTANA COLLEGE OF EDUCATION.

The bill sponsored by Fred Kreig and Dr. Myron Tripp of Yellowstone County and by Beaverhead County legislator climaxes a three-year campaign conducted by Dr. Peterson, President.

THE CLOTHING DRIVE AND WHY!

Due to the severe weather we have endured the past couple of months, many children of our community have been unable to attend school because they do not have sufficient clothing to keep them warm. It is really a shame that many children, right under our very noses, are being deprived of necessary schooling because they are not properly clothed.

The problem is so immense that the Family Welfare organization and the Salvation Army are unable to remedy the problem alone. It is because of this that the drives are also being carried on throughout the various schools of Billings.

Your donations will surely help some boy or girl to continue their proper schooling without interruption.

The receptacle for the clothing, as you may have or should have noticed, is located on the first floor, just a few steps from the telephone booth.

The nice little piece of art work displayed on the blackboard is a contribution of Miss Betty Mallowney.

In 1946 when EASTERN WAS CHANGED to a four-year college with a Bachelor of Science in Education and a two-year Junior College, Dr. Peterson's attempt to change to EASTERN, dropping NORMAL altogether, met with the immediate approval of faculty and students.

ANNUAL NEARS DEADLINE

RIMROCK staffers are rolling along at top speed to meet the March 1 deadline set by editor Milo Grue. According to Milo, the complete dummy has been drawn up and the student data has been compiled.

Photographer Hugh Bristor is working on organization and faculty pictures while Tippetts have completed work on the student pictures.

Anita Smith, art, has finished the cover design and is now working on the division pages.

Ad solicitors and manager Dorothy Ericksen have been working daily selling the ads which will help finance the Annual.

BASKETBALL DILLON Friday & Saturday
