

# FUN-DEO

## Hurry-Hurry-Hurry!! Play Day Comes To Eastern

### STEP RIGHT UP

The FUN-DEO, May 6 and 7, "the greatest show of its kind Billings has ever seen," is the way Shorty Alterowitz, chairman, describes Eastern's forthcoming carnival.

As preparations reach the completion stage there is a confident attitude by the FUN-DEO committee members that this will be a great success and a perennial favorite of Billings.

The dual purpose of FUN-DEO is to provide a recreational activity for the people of Billings and to raise money for Eastern's band uniforms.

The auditorium will be transformed into a miniature Midway with booths of skill and entertainment liberally scattered throughout the "grounds."

A parade to take place Saturday the 30th of April at 11 a. m. in downtown Billings is slated to promote the FUN-DEO. All Eastern students are expected to join the parade and support the FUN-DEO.

Organizations that are preparing booths for the carnival include the freshman and sophomore classes, the M.E.A., the Student Council, Katoya Club, Chemistry Seminar, "M" Club, the W.A.A., and the Alumni Association.

### EASTERN'S ANNUAL SPREE SPINSTERS—THAT IS!

Kare Evju is Eastern's most eligible bachelor. Following him closely are: Bull Juhl, Blackie Yonce, Dick Taylor, Chuck Johnson and Ed White. These charming gentlemen were named at the annual Spinsters Spree last Friday. (Continued on Page 3)

### TAU KAPPA ALFA FORENSIC TOURNEY

#### John Adams Places In Oratorical Contest

Eastern's teams were eliminated in the preliminaries of the Tau Kappa Alfa Forensic debate tournament held Friday, April 18, at Missoula.

Thirty-five teams from 21 colleges competed in the tournament. Because of the large number of entries six preliminary rounds were needed for elimination.

Entries from California, Oregon, Washington, Idaho, Montana and Utah were in competition for honors. Each college could enter as many teams as it wished with two people to a team with free substitution.

Only Washington and Oregon teams entered the debate semifinals.

John Adams of Eastern was the only Montanan to enter the finals of the oratorical contest. His topic was: "Let's Think Internationalism." Out of 35 contestants, he was one of seven to compete.

### Rural Schools Represented

On Friday, April 29, Eastern opens its doors to the children of 29 grade schools for its seventeenth annual Play Day.

Play Day has been an annual affair except for a brief period during the war when it was impossible to sponsor such a program.

This year the total of visiting children is expected to be 700 from all grades, first to eighth.

Seventy-eight Eastern students have been asked to help direct the games. Play Day is Fun Day at Eastern.

The purpose of Play Day is to promote sociability and friendship among the schools and to provide an opportunity for visiting children to become acquainted with one another.

Directors of Play Day are: Miss Marjorie Stevenson, Director of Physical Education; Mr. Oscar Bjorgum, Physical Director at Eastern, and Mr. T. E. Pemberton, County Superintendent of Schools, Billings.
