EASTERN MONTANA COLLEGE OF EDUCATION

VOL. 1

BILLINGS, MONTANA, OCTOBER 12, 1949

NO. 3

KATOYA HAS FIRST MEETING

The first meeting of the Katoya Players of Eastern was called Tuesday, October 4. There were nine of last year's members present and 21 new students who have hopes of becoming members.

This meeting was a huge success in more than one way in that there were so many new members and a great amount of fun and entertainment.

The first truly entertaining part of the evening came when Mr. Harshfield made those present draw from a hat for parts in a play. It was a comedy written about a wedding rehearsal. The students read and acted this out. The general confusion caused by the tight quarters of the Green Room succeeded in adding more comedy to the already comical play. It is apparently a fact that there are many happy "neophytes" among the new members.

The Katoya Players have been successfully performing since the year 1927, only missing a few of the war years, and staging 22 annual Christmas programs.

The Katoya Players wish to announce that although they are very pleased with the turn-out this year they would like to have many more. It looks like loads of fun, students, so if you are interested in acting, stage management, sewing of costumes, make-up, lighting, etc., just come to the Katoya Players. No student is barred from this activity. Katoya has convenient hours of meeting; the first and third Tuesday of each month.

To top off a very entertaining evening the members of Katoya had a taffy pulling spree in the Student Union room. It was also announced that Katoya read a play for the American Lutheran Church. The three members who too part were Beverly Dirkes, Tom Morledge and Roger Glen.

Yellowjackets Leave for Rapid City

MINUTES OF THE STUDENT COUNCIL

President Adrian Langstaff brought the meeting to order at 4 o'clock, October 4, 1949.

The first discussion concerned homecoming, dated from the 10th to the 12th of November. A motion was made and seconded that the homecoming queen be selected by the whole school in a democratic fashion. The motion was passed. A general committee for homecoming was selected as follows:

Jean Aikins, chairman; Eddie Robinson, Dick Knoche, Norah Connelly and Bruce Rafn.

A motion was made and seconded that the homecoming activities be finally decided by student-faculty committees. It was carried.

A motion was made and seconded that a committee be selected to work with the cheerleaders and baton twirlers on selection and purchase of uniforms. The motion was carried.

The president read sections I and II of the constitution. A nominating committee was selected as follows:

Bob Sando, chairman; Paul Stark, Beatrice Vogel and Vivian Larson.

A motion was made and seconded that the Student Council does not countenance initiations not sanctioned by the Council. The motion was carried.

The meeting was adjourned at 5 p. m.

DELTA PSI OMEGA AT EASTERN

Thirty-two years ago the first students of this school were entered into the Twenty-first chapter of the Delta Psi Omega.

The Delta Psi Omega is the nation-wide honorary fraternity of dramatics. The students are passed into Delta Psi Omega after they met the qualifications set up by the national office.

The twenty-first chapter here at Eastern is one of the first thirty chartered chapters. There are 185 chapters in the United States.

Since 1929 there have been 144 students of this college entered into the files of Delta Psi Omega. All of these students have earned their entrance through their efforts with the Katoya Players here at Eastern.

Paul Stark

NOTICE

Easterners may attend the Rocky Mountain College football game at Daylis Stadium this weekend through an arrangement with Rocky Mountain College whereby the activity tickets of both colleges will be honored. This arrangement will hold during the football season.

ATTENTION

Volunteers to sell tickets at Nelson's Music House on Saturday for concert series. See Otis Packwood for information.

Eastern Tops Montana College Units

EMCOE Registers Largest Gain

Entering its twenty-second year, Eastern began with its usual efficiency. The students, our future teachers and leaders, are adjusting easily to their new situations.

Eastern's future may well be measured by this year's attendance. It ranks third according to student enrollment and first in percentage gain. Montana State University leads with 3,331 students but suffered a loss of 5% from last year's total, Montana State College is second with 2,606 which is also a loss of 10% and Eastern with 451 students shows the highest percentage gain with 37% above last year's. Northern Montana College of Education with 385, a 16% gain, Montana School of Mines with a 7% loss, and Western College of Education with 270, a 22% gain follow respectively.

Our president, Dr. Peterson, aspiring for a student body of 1,200 in the next few years, says he is very happy to see that Eastern has by far the largest percentage gain, and that the rapidity with which Eastern is growing is very significant in the future of the college.

BATON CORPS ORGANIZED

Batons are again "flying" in the halls of Eastern. The first meeting of the corps was Monday, October 3. From the looks of things there is going to be a good twirling squad this year—quantity as well as quality.

The first time you will be able to see the twirlers exhibit their skill will be at the Homecoming game.

If you are interested in joining the Baton Corps, contact Mr. Davidson.

Let's give the Yellowjackets a send-off! Watch for an announcement concerning a rally before the team leaves this weekend.
