Other films, to be shown evenings, tentatively scheduled include "The Grapes of Wrath," "Diabolique," and "Lost Horizon."

Marilynn Sheard, secretary of the group, stressed the fact that an initial appropriation of \$60.00 had been made to finance the first quarter's showing of films and that subsequent appropriations will be made only if student attendance at these films is such as to warrant further expenditures of student funds.

The legislature also allotted funds for the floats in Eastern's Homecoming parade. Each participating organization will receive \$10.00 to defray costs, she stated. There are 14 floats scheduled for the parade next Saturday morning.
