Editorial

Every year there are quite a few athletic events. In the past year the crowds have been getting smaller and smaller especially at away games. As far as the home games are concerned, you see the parents of the players and a few teachers but not many others.

In the past years when we have had winning teams, the community supported the athletic events very well. But lately, when we haven't been winning, our support also gets less and less.

The kids are putting a lot of hard work and are trying hard. I feel with a community our size we should all try to support everything that goes on.

Our school needs more school spirit and support, even if we have a winning team or a losing one. Hope to see more Raider supporters at the games in the near future.

ATTENTION!!! ATTENTION!!!

The FFA is holding another town team tournament over Thanksgiving weekend. The games will start Friday and Saturday at 4:00 and 1:00 on Sunday.

Concessions will be sold at the games. There will also be admission charged at the doors. All money made at the gates will go toward the FFA Kansas City trip. Thank: for your support and come and have fun!!!!!!!!!!!!!!!!!!!!
