EDITORIAL

Even though the weather doesn't give it away, it is May and another school year is ending.

The seniors will be leaving, moving on to bigger and better things. The other kids will return next year full of energy and enthusiasm for another year of school and the activities involved with it.

During the year the students work hard on their academics so they can get good grades and make it in the world after they graduate.

They also work very hard in their sports music events, and in various club events. And after they practice hard at these things, they like the community support at their games and concerts. Even if they don't do very well, at least their trying and their representing our community. I hope to see many of you next year at school events.

As I close this last editorial for this year, I wish everyone a happy summer and good luck to everyone next year.

GOOD BYE SENIORS AND CONGRATULATIONS!!

SCHOOL

Even though this school year is nearing its end, don't think summer will last forever. We only have three months of vacation before school starts again.

Boy's football and girl's basketball practices will begin August 15. School will resume again next fall on the 23rd of August!

CHEERLEADER

On May 2, the Winifred High School held their cheerleading tryouts for the 83-84 year. There were many girls trying out and the competition was close.

The new Varsity cheerleaders are Tammie Selph, Cindy Barnes, Terri Hassler, Kevin Economa, and Barbara Walling.

The new Junior Varsity cheerleaders are Camille LaTray, Chrissy Leonard, MaryKMendal, Nina Challans and Julie Skinner.

Congratulations to the new cheerleaders and good luck!!!

SUPERINTENDENT

J. Oliver Gordon will be the superintendent of the Winifred School system for the 1983-84 school year.

He received his masters of education from Northern Montana College in Havre and also took several school administration classes at the University of Montana.

Dan Corcoran has accepted a position as Junior High principal in Cut Bank.

HAPPY Summer!! ☺
