We Wonder...

What all the kids are going to do this summer?

How much trouble the Freshman girls will get into this summer?

How many teachers will move?

If Dewey is really going to Missionary school?

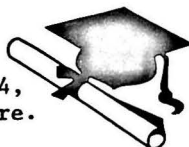

If Grete is really Trudy & Julie's mother?

What Mat B. is going to do this summer?

If the sun really shines in Jamie's window?

A SENIOR POEM

The graduating class of '84,
Is truly a group that I adore.

They have their ups, they have their downs,
And some profess they're even clowns.

But seriously I'd like to say,
They are all good young adults on their chosen day.

Success will be their goal in the upcoming years,
And I hope that I have helped them overcome some fears.

So as the year fades away I bid them farewell,
And know that in their own special way,
they will all do well.

Mrs. Tyler

Good Luck

And Best Wishes To The

Graduating Class
