## The NILE

A NILE livestock judging team was sent down to Billings on October 15th. The team consisted of four lucky FFA members. They were Stan Leonard, Casey Philp, Jake LaTray and Tom Philp, and they were accompanied by Mr. Cantu. They stayed at the Ramada Inn on Monday night. Tuesday morning they were up bright and early and ready to go livestock judge. They judged pigs, cows, sheep and horses. They had to give reasons on several of these classes. Jake LaTray was the high scorer in the Winifred team. They did not place but did very well and enjoyed the experience.

Joe DeMars was also a participant in NILE activities. Last year at the NILE, he won a calf in the calf scramble. This year he brought the calf back to show and sell as a fat steer. He placed sixth in the open class and received reserve champion among the calf scramble calves.

THE PARTICIPANTS AT THE  
NILE!

## Pop Machine

The Winifred High School is getting a pop machine! The Student Council conducted a survey and most kids wanted the machine. Student Council received permission from Mr. Lindsey and contacted the Lewistown Bottling Company. The kinds of pop available will be Squirt, Mt. Dew, Pepsi, Orange, Diet 7-UP and Diet Pepsi Free. Each class will take turns filling the pop machine every morning. They will also be responsible for keeping the school clean. The W-Club and Pep Club will use the machine during the games. It will be located in the multi-purpose room. The proceeds from the pop sales will be divided among the classes equally.
