YELLOWJACKETS SWARM AND BULLDOGS SLINK AWAY NURSING STINGS

DILLON NORMAL DEFEATED FOR FIRST TIME; SCORE 44-41

With two games of the present basketball season already played, Eastern Montana Normal School's Yellowjackets will begin their first tour of Montana February 6 with a conference percentage of .500. The first conference game the Yellowjackets won 44-41, defeating the traditional rival, Dillon, after the Dillon men had defeated Polytechnic. Then the two Billings teams met with the score 19-19 at the half, but a Polytechnic victory 41-35 at the end.

E. M. N. S. 44; Dillon 41

The Yellow-Jackets swarmed out of their corner here Saturday night, January 14, stinging the somewhat bewildered and hitherto unconquered Bulldogs to a 44-41 victory in favor of Eastern Montana Normal School.

The game started with a bang! The Yellow-Jackets took the lead from the beginning and held it to the finish, while the Dillon quintet made valiant attempts to uphold their unquestionable reputation. The snarling Bulldogs were a good match for the irate Yellow-Jackets, and it was only through accurate shooting, good team work and aggressive playing that the Billings teamsters were able to wrest the victory from their western cousins.

It was a fast game from the beginning, the first half ending with a score of 31-22 in favor of Billings. It was not until the beginning of the second half when Swanson went out on fouls that the Dillon Normal began its rally, piling up the points to tie the score of 41-41 with Billings. Larson, however, came to the rescue of his comrades six minutes before the end of the game, making a long shot and scoring two points for E. M. N. S. Galahan went out on fouls in the second quarter after having piled up a total of 19 points for Billings. Callahan, the high point

TRAILBLAZERS SET FEB. 22 PARTY DATE

McMULLEN SUGGESTS ANNUAL PARTY ON BIRTHDAY OF WASHINGTON

At a meeting held at the Washington building Friday night, January 20, the Men's Club made plans for an exclusive party to be held in the near future, probably on Washington's birthday. Dr. McMullen has suggested that this date be set aside as the traditional Trail Blazers' day.

The dance will probably be held in the school gymnasium, and will be exclusively for the members of the Men's Club and their lady friends. This will include all men students, as they automatically become members of the Trail Blazers upon registration in the school.

The gym will be newly decorated, the floor will be waxed. (This will call for some scrubbing afterward, but it'll be worth it.) Several special numbers will be featured, an orchestra will be hired, and every entertainment possible will be featured to make it the terpsichorian event of the year. Watch the bulletin board for the date!

RUSSIAN CHORUS COMING FEBRUARY 23

The Student Council has voted to bring the Don Cossack Russian Chorus here Thursday night, February 23. Dr. McMullen has already made the arrangements.

This world-renowned chorus, which is composed of thirty-six male voices, will present its performance at the Fox-Babcock Theater. Normal school students will be admitted on their student activity tickets, and all should take advantage of the opportunity to hear this worth-while musical program.

This chorus is an entirely different one from the Russian singers who appeared in the high school last spring under the auspices of E. M. N. S.

RILLA COLE, '32 GRADUATE DIES IN GREAT FALLS

The many friends of Rilla Cole were grieved to hear of her death on January 16, in a Great Falls hospital. Miss Cole was teaching the Stone School in Fergus County, near Denton when she became ill with the flu. She was taken to the Great Falls hospital, where she died of leakage of the heart and flu.

Miss Cole was graduated from the Denton High School, May, 1926 and from E. M. N. S. August, 1932. She was making a great success with her teaching, and her death is a loss to the teaching profession. The faculty and student body extend sympathy to her family, who live in Denton.
