

Yellowjackets Meet Panthers On February 17

TEAM FINISHES TOUR; PLAYS INTERMOUNTAIN, CARROLL, MINES, DILLON

LOSES TO MINES BY CLOSE
SCORE OF 35-33

Monday, February 6, the Yellowjacket team of E. M. N. S., comprised of eight of the most promising basketeers, launched an eight-day tour to compete with four college teams of the state. The following men were chosen: Galahan, Von Eschen, Johnson, Owens, forwards; Swanson, center; Stevens, Jones, and Larson, guards.

The first game of the series was fought out with the Panther team on the night of February 7, on the Intermountain Union floor at Helena. The Panthers were in peak form, controlling the tip-off, shooting with deadly accuracy, and defending their goal with unusual skill. Accustomed as the Yellowjackets were to playing on their small floor at home, the large floor at Helena proved a serious handicap. It was not until late in the first half when Galahan, forward, entered the game that the Yellowjackets were able to get their offensive rolling. Galahan contributed 15 points to the E. M. N. S. score while Lyman, Intermountain center, scored 23 points. The game ended with a score of 55-30 in favor of Intermountain.

The second game of the series was played with Carroll College at Helena on February 8. It was a fast game and it was only through the Saints' familiarity with their home floor that they were able to turn back the determined E. M. N. S. five and ring up the final score of 46-39 in favor of the Saints.

The Carroll College Saints, attempting to rest on a 33-16 lead which they piled up during the first half, saw the E. M. N. S. Yellowjackets boost their score to 28 while the Saints were gathering a single basket. Three field goals by the Saints near the end of the game saved Carroll's scalp. Swanson, center, and Galahan, forward, carried the brunt of the E. M. N. S. attack.

Thursday night, February 9, the Yellowjackets invaded the Mines floor at Butte for a return game, and were defeated by a score of 35-33. Too big an early advantage almost proved the undoing of the Miners. They rushed into an early 13-3 lead and at the end of the first half had piled the score to 27-11. After going on to a 31-14 lead in the early part of the second half, the Ore-diggers collapsed and the Normal put on a 14-point spurt and nosed up a 28-33 score. Galahan made a long shot, and Johnson tossed in a sleeper fifteen seconds before the end of the game. Walsh led the Miners with 10 points. Swanson and Galahan, of E. M. N. S., each scored 9 points.

Friday evening, February 11, the Dillon Teachers easily conquered the Billings aggregation in a one-

Psych Class Gives Mental Tests To 42 Billings Pupils

As part of their quarter's work, members of the class in Psychological Testing are giving mental tests to the public school children who have speech defects. About 42 pupils have been tested and about this number remain on the list. There is a possibility that a few children from the Fratt Memorial School will also be sent in to Dr. Hines for testing. If time allows, other pupils of doubtful intelligence quotients but without speech defects will be tested.

Fourteen members in the class are giving the tests. They are: Margaret Baker, Grace Cain, Maxine Ellithorpe, Mary Herak, Ruth Korber, Norman Larson, Horace McBride, Ruth Oie, Clem Owens, George Richardson, Bernice Roberts, Don Steele, Gladys Stafford, and Emma Vanek.

SILLY THINGS

Silly things that make me happy;
Silly things that make me sad.
(Perhaps the things I frown on
Are silly things, not bad.

Silly things? Yes, maybe so.
The things that make me sing—
A loving letter from my sister;
Sunset; a bluebird's wing—

A darting dash of color
Across the clear blue sky;
A poem, perhaps; a snatch of song;
The smell of chocolate pie.

An "A" test grade; successful day
Filled with student teaching—
Children's lessons all learned well,
No coaxing, scolding, preaching.

And then the things I'm tired of—
The silly things I hate—
That homesick feeling in my heart
Ashes in the grate.

Some people who have tempers
Quite as bad as mine;
Such awful early classes!
(Why can't they be at nine?)

Yes, truly are they silly things
When written black on white;
But it's fun to be silly if
Such things make up Life!

sided basketball contest. The final score was 61 to 35.

The Dillon Bulldogs were playing the best ball they have played this season, and Bjorgum's quintet was unable to find the hoop. Vandegrift counted up 22 points to gain position as the Bulldog's high-point man. Stevens scored 14 points for E. M. N. S.

This game finished the trip and the boys returned to Billings Saturday night.

MINERS TRIUMPH OVER YELLOWJACKETS 46-37

Saturday evening, February 4, the Billings Teachers were defeated on their home floor by the quint from the State School of Mines. The final score was 46 to 37.

The first score of the game was made by Stevens, Yellowjacket guard. Encouraged by the first basket, the local team chalked up four more points. The Miners then started walking up their side of the score. Through the first half the score was very even, with the Miners holding a narrow lead of two points with a score of 29 to 31.

With the initial tip-off at the beginning of the second half, the Teachers tied the score. The Orediggers rallied and kept the score out of the danger zone for the rest of the contest. Owens, however, in the last five minutes of play, scored four points.

Gallant, high-point man for the Mines, scored ten field goals and three free shots. Johnson led the teachers with four field goals and one free throw.

THREE GAMES LEFT ON SCHEDULE; CARROLL TO PLAY HERE MARCH 3

With three conference games yet to be played, the Yellowjackets are in a mood to take all of them. With four successive defeats on foreign floors, and a chance to avenge two of them with victories at home, the Yellowjackets are pointing for victory with high hopes.

Next Friday, February 17, the Yellowjackets play the Intermountain College Panthers on the home floor. With a floor which they are accustomed to, the Yellowjackets should put up a much better fight than they did at Helena February 7 when they were defeated by the Panthers.

Carroll College of Helena will perform for the last time on the local court on March 3. Three lucky goals saved Carroll when the Yellowjackets played them at Helena February 8. The game here should be the best of the season, and the close score of Carroll's 46-29 victory should be reversed.

Polytechnic also meets the Yellowjackets before the close of the season. The game will be played on the Poly court.

WE APOLOGIZE

"No second-hand names for us," storms McBride. We apologize for designating our new quartet (Leon Nelson, Pete Peterson, Ray Stevens, Horace McBride) the "Graveyard Quartet" in our last issue.

That name belonged to Keith Manion's old sob-brothers last year—and Mac insists he's no grave-robbler.

Always Polite

Louise Solem (to pupils): What is wrong with this sentence children, "The horse and the cow is in the lot"?

Little Johnny: The cow and the horse is in the lot.

L. Salem: What makes you correct it in that way, Johnny?

L. Johnny: The lady should be mentioned first.
