DR. L. B. McMULLEN SEEKS AID FOR NEW BUILDING

Dr. L. B. McMullen left for Washington last Saturday night, in the hope that something could be done to secure action on our request for P. W. A. funds for the new building. Dr. McMullen plans to be gone for a week or ten days.

Senior registration and other administration responsibilities will be conducted by Mr. Stuber, registrar, during the absence of the president.

BARDEN RESIGNS TO OPEN STUDIO

Resignation of Miss Barden, for two years instructor and teacher of methods of presenting public school music, was announced Wednesday, February 28, by Dr. McMullen. Miss Barden left the faculty Thursday, March 1, to open a piano studio at her apartment, 18 Lewis Avenue.

She joined the faculty in March, 1932, soon after completing a post-graduate course at Columbia University, New York. Miss Barden is a graduate of the Conservatory of Music of Oberlin College.

She has organized classes of pupils at Joliet and Laurel and contemplates the organization of a similar class in Park City.

St. Patrick's Day is Featured By Seniors at School Luncheon

Something unusual in the history of the Normal School luncheons is to be tried, today at noon. The second year class is sponsoring a Dutch luncheon—minus the beer. Substitutes for the beer are chocolate milk and coffee. The rest of the menu has white and rye bread, cold meats of all kinds, five kinds of cheese, peanut butter, potato chips and apple pies.

An outstanding feature of the luncheon is that there will be no waitresses except those who serve the liquors.

Those who are taking part in the program are Eva Stewart, Bob Stoner, Don Foote, Carl Shogren, and the Seniors. The guests of honor are the March graduates. Chairmen of the various committees are: condiments, June Ehler; garbage, Mabel Grafel; food, Lillian Penner; linen, Ruth Robertson; dishwashing, Olga Swanson; serving, Maybelle Erickson; kitchen, Francis Wright; decorating, Margaret Darnell; takedown, Carl Shogren; program, Helen Lewis.

JACKETS DOWN POLY 43-42 NELSON LEADS

In the fastest and most exciting game of the Yellowjacket schedule, the boys defeated the Polytechnic team with a score of 43-42 at the Poly gym, March 3.

Both teams were at their best, but the Jackets had a slight edge on their adversaries throughout the game. The lead changed hands a number of times. The final gun revealed that the Yellowjackets had a margin of one point. The same margin defeated the Jackets in their first tussle with the Poly Crusaders, January 10, in which the final score was 60-61.

Gallahan and Nelson starred for the Yellowjackets, tossing in baskets with either hand from any part of the floor to furnish the fans with excitement aplenty. Nelson led the Normalites with a total of 17 points, followed by Gallahan, who chalked up 12 points.

Stevens, Tyler and Owens played their last game for the Yellowjackets, Captain Stevens scoring the final and winning basket.

Gun Johnson, regular center, was unable to play because of a sprained wrist, which he unfortunately received in a practice game.

E. M. N. S. BEATS HAVRE

The Yellowjackets inflicted a defeat on the Northern Lights of Havre, in a fast, exciting game at the High School gym, February 17.

The Yellowjackets outplayed their opponents at every turn through-
