

THE RIMROCK ECHO

— Eastern Montana Normal School —

VOL. VII

BILLINGS, MONTANA, FRIDAY, MAY 29, 1936

NO. 6

LARGE CLASS WILL RECEIVE DIPLOMAS JUNE 12

"The Ivory Door" Will Be Presented On Wednesday, June the Tenth

FIRST MAJOR PLAY GIVEN ON NEW STAGE

The "Ivory Door," the first major production to be given on the new stage, will be presented Wednesday evening, June 10, by a cast of 16 students. The play, written by A. A. Milne, consists of three acts, a prologue and an epilogue. The plot centers around an old legend of the "Ivory Door" through which none might go and ever return. The story, which takes place in an indefinite "long, long ago," offers a satirical expose of the tendency of nations and individuals to cling to hereditary beliefs. The play is not only vivid and unusual, but contains much action. The mob scene, in particular, offers an opportunity for concentrated action and is probably the most interesting part of the play.

Students Make Scenery

Striking and unusual stage and lighting effects have been made possible by the installation of a complete and efficient lighting system and by the efforts of the Dramatic Art class, which is designing and making all the costumes and scenery to be used in the play.

Cast Numbers 16

The cast, as reported by Miss Dewey, director, is as follows:
King Hilary.....John Daly Brand.....Harold Galahan
The Chancellor.....Sam Panos
King Perivale.....Burton Caruso
Captain of the Guard.....Bop Pepper
The Mummer.....Phillip Foss
Count Rollo.....Philip Nelson
Anton.....Paul Bussinger
Old Beppo.....Roy Johnson
Simeon.....Charles Perkins
Titus } Soldiers of } Carl Johnson
Carlo } the Guard } Ed Gremmer
Princes Lilia.....Anne Helder
Old Anna.....Vivian Smith
Thora.....Edna Cooke
Jessica.....Alta Mae Johnston
The King.....Sigurd Selden
Associate Director.....Bill Bowen

During the mob scene more than 20 performers from the Katoya Players and the Dramatic Art classes will appear.

Orchestra Will Play

Stage lighting will be managed by Harold Johnston and Ed Wright, while the stage crew will be under the direction of Lenore Mettes. The orchestra, under the direction of Mr. Ridgely, will provide music between acts. Plan to see the "Ivory Door," the outstanding dramatic event of the year.

Maybe the reason Methuselah lived to such an age was that he didn't have to worry about his vitamins.

COMMENCEMENT CALENDAR

| | |
|---|------------------------------------|
| Junior Prom—9:00 p. m. Friday, June 5..... | Auditorium |

| Alumni Luncheon—12 noon Friday, June 12..... | Northern Tea Room |

ABBOTT CONDUCTS BATTLEFIELD TOUR

E. M. S. N. S. students, under the guidance of Professor Abbott, will leave tomorrow, Memorial day, for the annual all-day tour of the Custer Battlefield. This tour was first made in 1928. It is sponsored by the Student Association, and a bus has been chartered for this event. The trip will include a survey of the Custer-Reno Battlefield, Custer Battlefield proper and a detour to the site of old Fort Custer. The students and their guide will stop to lunch at Crow Agency. The excursion will be an excellent opportunity for nature study students to gather plants as there are many varieties in this territory. Friends outside of the school have also been cordially invited to attend.

Art Work to be Shown With Demonstrations

On Monday, June 8, the annual Art Exhibit will be held in the corridors on the third floor and in the rooms of the Art department. All types of work done by students during the year will be on exhibit from one to five in the afternoon. In the evening, in addition to this exhibit, there will be demonstrations of all types of art work in rooms 309 and 305.

Student committees have not yet been appointed, but they will have entire charge of the exhibit.

It is hoped that students will invite their friends and others interested in art to view the specimens of work. New activities this year are wood carving and clay modeling. Everyone who attends this annual event is enthusiastic about it. It is one of the high spots of the Commencement season.

YELLOWJACKETS WIN CITY COLLEGE SERIES FROM POLYTECHNIC

With a barrage of hits that netted 24 runs, Tuesday afternoon, May 19, the E. M. S. N. S. baseball team defeated the Polytechnic nine to win the city college championship by the score of 24-9.

In the first game, a determined sixth-inning rally that brought in five runs, gave a 9-8 victory over the Poly in the opening encounter of a three-game series at Flanagan's field, Tuesday afternoon, May 12.

A good brand of ball playing was exhibited by both clubs, as the Yellowjackets, trailing 7-4, rallied after a single by Harold Johnston. Four singles and two errors combined to give the Yellowjackets the five wins that meant victory.

Galahan Is Star

Harold Galahan, whom Coach Bjorgum selected for mound duty, fanned nine Poly batters and pitched unusually good ball despite weak fielding on the part of his teammates.

Poly Wins Second

In the second game of the series, Saturday, May 16, the Poly triumphed 14-8, evening the series, one all. The battery for the mound was Harold Johnston pitching and Gonzales behind the plate. Borgen pitched for the Poly and Thompson did the receiving.

In the third and deciding game of the series, Tuesday, May 19, a barrage of hits that drove four Poly hurlers from the box, clinched the city college baseball championship for the E. M. S. N. S. by the score of 24-9.

Ineffective pitching spelled defeat for the Poly in the one-sided game. Highlights of the game were home

WOODBURN TO SPEAK AT EXERCISES

Commencement exercises will be held in the Normal School gymnasium at 10 a. m. on Friday, June 12.

The total number of graduates is tentatively fixed at 93, one of the largest classes in the history of the school.

The principal speaker of the program will be President E. C. Woodburn of the Spearfish Normal College, Spearfish, S. D.

There will follow the distribution of awards and prizes to students who have excelled in various subjects and fields.

A feature of the exercises will be the playing of the processional by a violin ensemble. Last year the ensemble was composed of eight members, and it is hoped that this year will see it increased to sixteen.

Tea Honoring Seniors

Dr. and Mrs. McMullen will be at home in the Green Room at the rear of the Auditorium on Monday afternoon, June 8. Their honor guests on this occasion will be the members of the graduating class. Faculty and faculty wives and visiting relatives and friends are also invited.

Because of the illness of their daughter, Dr. and Mrs. McMullen have found it impossible to open their home on this occasion as they have so graciously done in the past few years.

All School Dinner Will Be In Gymnasium

The All School Dinner honoring the June graduates is a departure from former custom. Heretofore there has been a dinner for just seniors. This year it is for the entire school. This dinner will be in the E. M. S. N. S. auditorium, Thursday evening, June 11, at 6 o'clock p. m.

For once the freshmen will get a break as the serving is to be done by outside people.

The plans for the program have not been completed, but will be of especial interest to the graduates.

Open House Planned

For alumni and former students who have not been through the new building, open house will be observed from 8 a. m. to 10 a. m. on Friday, June 12, just preceding the commencement exercises.

Faculty members will be in the midst of getting out final grades, but first year students will act as guides, and all the grads are urged to come early and see the new home.
