### Student Opinion Calls for Annual; Council Appoints Staff

#### PRESIDENT WILL HEAD FACULTY COMMITTEE

There will be a Rimrock Annual this year, according to the announcement made by the Student Council after their meeting on Wednesday afternoon. This decision came as a result of the large response from the student body to a request for signatures of those who desire an annual, to be financed largely from student activity funds and given to all students who have been in attendance for the entire year, with an adjusted cost to those who have been in attendance for one or two quarters.

With the assistance of a faculty committee composed of Dr. McMullen, Miss Roberts, Miss Meek, and Mr. Stuber, the council chose the following staff to put out the book:

Editor-in-chief, Franklyn Williams, Billings.

Associate Editor, Lillian Peterson, Kalispell.

Student Life Editor, Sylvia Neiss, Lewistown; assistant, Vern Wagner, Billings.

Art Editor, Carolyn Westvelt, Lewistown; assistant, Lola Lindeen, Pompeys Pillar.

Business Manager, Vern Clark, Billings; assistant, Floyd Beeler, Billings.

Circulation Manager, Dorothy Fararis, Billings.

These students have accepted the appointments, and work will begin at once. The most immediate task is taking the pictures of the seniors and the group pictures of first year students and organizations.

Dr. McMullen has voluntarily assumed the chairmanship of the faculty committee, and he deserves the wholehearted cooperation of all to insure a creditable book despite the late start.

#### DANCE ARTIST TO APPEAR WITH TROUPE OF TWELVE

Martha Graham, an outstanding exponent of the creative and interpretative dance, with a group of 12 young women and a five-piece orchestra, will appear in our auditorium Friday night, March 19. Students will be admitted on presentation of activity tickets, and admission will be charged to others.

As the high priestess of the danse moderne, Miss Graham's work is an exemplification of sorrow and joy, exhibited through costume and color as well as through bodily movements. She carries her own scenery which provides an effective background.

The music, most of which was written for Miss Graham's dances, is played by an off-stage orchestra of woodwind and percussion instruments which acts sometimes as

#### EASTMONT JAMBOREE FEBRUARY 26

#### FUN, THRILLS, PRIZES PROMISED TO ONE AND ALL—COME, DANCE, EAT

Plans for the Freshman Class Carnival to be held in the basement on Friday night, February 26 are so shrouded in secrecy that the reporter who received the following details barely escaped with his life.

As the last blare of a trumpet echoed through the halls of Eastmont, the balloting to determine the Jamboree Queen closed, but the identity of the beautiful damsel will not be disclosed to the student body until the evening of February 26, when she will be crowned in the most spectacular ceremony ever witnessed, amid regal splendor and attended by a retinue of the blue bloods of the school. Special entertainment for the queen and her court will follow the coronation ceremony.

#### Divisional Basketball Tournament Play-off In E.M.S.N.S Gymn Mar. 3-6

The Southern Division High School Class A and Class B Basketball Tournament, which will be held in E. M. S. N. S. gymnasium March 3-6, inclusive, will bring about 200 players and coaches with over a thousand boosters to the city. The teams contesting in the Class A group will be from Anaconda, Billings, Miles City, Glendive, Bozeman, Anaconda, Butte, and Butte Central. The Class B teams will be determined by the Class B district tournaments, which are being held this week.

##### Double Elimination Plan

The games are played according to a double elimination plan. The first round will continue through the first four Class A and Class B games. Consolation games for the losers in the first round will begin Thursday night and continue through Friday afternoon. Semi-finals in both classes will be played off Friday night and Saturday morning.

Stupendous! Colossal! Gigantic! Enormous! Magnificent prizes will be presented by the Queen to the students taking part in contests. Among the many awards offered will be a beautiful portable radio.

Side Shows! Freak Fests! Thrill Theatres! Unique entertainment will make every minute an unforgettable experience.

Come and dance to the melodious strains of a six-piece orchestra.

Refreshments will be served during the evening. The entire Jamboree will cost students and guests nothing except their activity tickets unless they wish an extra helping. There will be a slight charge for second helpings.

The big thrill of the tournament will be furnished Saturday night, when three championship games will be played to decide the teams which will represent the Southern Division at the state meet in Great Falls late in March.

Gene Pearson and E. Pete Cadwell will be the official scorers, while Walter "Spot" Sanford and Fred T. Daylis will be the official timekeepers. The referees have not yet been appointed by the state board of control.

##### Students and Faculty Help

The local tournament committee is composed of Dr. L. B. McMullen, chairman; O. M. Bjorgum, director; H. N. Stuber, finances; H. C. Hines, traffic and police; Charles Dean, restaurants and hotels; and N. C. Abbott, ushers and seating; Marjorie Stevenson, concessions, entries and publicity.

#### Dean Hawkes to Speak; City Teachers Guests

An all-school dinner is to be held in the Normal School basement tonight at 6 p. m. Besides the student body and faculty, a special invitation has been extended to the teachers of the Billings elementary schools who cooperate with the school in the training of prospective teachers. It has been a yearly custom to entertain for these teachers at some social function. This year the luncheon scheduled for Wednesday, February 10 was postponed until tonight and transformed into a dinner in their honor.

The Glee Club will make its first appearance tonight on the dinner program, singing two numbers: Deep River — negro melody and Brown Bird Singing—Haydn Wood.

We are very fortunate in having as our speaker Dean H. E. Hawkes of Columbia College, who is, as he says, "merely an appendage of Mrs. Hawkes," who is in the city to further the work of the National Vocational Guidance project. Dean Hawkes has not announced his subject, but it will be a discussion of some new phase of educational work, after which everyone will adjourn to the gymnasium for the basketball game between the Yellowjackets and the Bull Dogs of Dillon, and the all-school dance afterward.

Dinner will be served at 6 p. m. sharp. There is a very appetizing menu consisting of salmon croquettes with cheese sauce; whole kernel corn; candied yams, perfection salad, olives, rolls, preserves, with angel food cake and coffee for dessert.

The decorations will be under the supervision of Miss Roberts. Large flags will be draped upon the walls and about the posts. Small flags will be used to decorate the center of the tables. Additional decorations will be, in color and design, suitable for the occasion of Washington's birthday, and candles will furnish the only light on the tables.

#### Last Game Tonight; School Dance Follows

The Yellowjackets will meet the Dillon Bulldogs in the gymnasium tonight at 8:15, thus finishing the conference schedule for the season. Everyone should turn out to help the boys put up the stiffest fight of the season.

Following the game, there will be an informal dance with music furnished by Vern Clark's orchestra.

Most of the students will be on the campus for the all-school dinner at 6 o'clock, and those who walk out on the dance and the game will be pretty poor sports.
