### ANNOUNCEMENTS

**Absaroka-Florence Test Is Again Under Way and Progress Is Closely Watched**

Everyone is expecting a gusher. The big drill got into action again from the Christmas test two weeks ago, and six days ago the first drilling went on again for six weeks in the town of Florence in the northern part of the county. The test is still going on, and the operators are hoping for a big gusher. The drilling is being done by the Shell Oil Company of New York, and the test is located on the south side of the city.

**We Are Going After Oil**

**PUBLISHED IN THE GEOGRAPHICAL CENTER OF THE RICHEST ANTIMICLONE ON THE AMERICAN CONTINENT**

**OLY**

This advance in the painted prices of crude petroleum in all of the United States is due to the fact that the market has made a strong recovery in recent months. The current advance is due to the fact that the market has made a strong recovery in recent months.

**CARBON CO. EXPECTS MORE ACTIVE YEAR**

The Colonial Carbon Co. of Delaware has decided to increase its output of carbon, and is expected to start production in the near future. The company is one of the largest producers of carbon in the country, and its output is used in a wide variety of applications.

**Washington, Jan. 21—President**

The President of the United States has named Charles N. Pray as the Federal judge for the southern district of Montana. Mr. Pray is a prominent lawyer in the state, and is well known for his work in helping the poor and the sick. The appointment is expected to be well received by the people of the district.

**POSSIBLY THE LAMEST MIGHTY LION**

If the home merchants have anything to sell, now is a good time to buy, because the competition is keenest. We have a large stock of goods at low prices, and we can make a deal that will save money. The home merchants are doing a good business, and they are anxious to sell their goods. If you want to save money, now is the time to buy.

**THE BAKER BOY SCOUTS HOLD INTERESTING MEETING**

The Men's Forum of the County Hospital held a short session in the hospital’s auditorium. The session was attended by many of the boys, and they are doing a good job in keeping the organization alive.

**SHIPS OF OLD**

The ships of old are a thing of the past, and the new ships of today are much better. The new ships are more efficient, and they are built to last.

**Baker High School**

The school is doing a good job, and the pupils are doing well. The school is well equipped, and the pupils are well educated.

**SHOULD YOU CONSIDER SELLING**

If you are considering selling, now is the time to do it. The prices are high, and the market is good. The time is right to sell.

**Baker High School**
