**REPUBLICAN STATE CONVENTION**  
 At a meeting of the Republican state central committee, held in the city of Helena, on the 3rd day of September, 1902, it was ordered that a Republican state convention be called to meet in the city of Great Falls, Mont., at 10 o'clock a. m., on Saturday, September 27th, 1902, for the purpose of placing in nomination one representative in the congress of the United States, one associate justice of the supreme court of the state of Montana, and for the transaction of such other business as may properly come before a Republican convention.

All electors of the state without regard to past political affiliations who believe in the principles of the Republican party and endorse its policies are cordially invited under this call to participate in the party primaries and the convention.

The representation for the convention has been apportioned among the several counties as follows, the basis being one delegate for every fifty-five votes or major fraction thereof cast for the Republican nominee for congress in the election of 1900:

Beaverhead	14
Broadwater	15
Carbon	15
Cascade	15
Choteau	19
Custer	19
Dawson	19
Deer Lodge	18
Fergus	18
Flathead	19

Powell	19
Ravalli	15
Rosebud	19
Silver Bow	19
Sweet Grass	18
Teton	19
Valley	19
Yellowstone	13
Total	434

The following rules have been adopted by the party for the government of the convention:

First—Delegates and alternate delegates shall be elected to the convention and in the event of the failure of a delegate to attend the alternate delegate shall cast the vote of the delegate whom he represents.

Second—In the absence of the delegate and his alternate a majority of the delegation from that county shall cast the vote of the absentee.

Third—In the absence of all delegates and alternate delegates from any county no vote shall be cast from said county.

Fourth—In the county in which the state convention is held no vote shall be cast for an absent delegate and alternate delegate.

Fifth—Delegates and alternate delegates must be Republicans and residents of the county which they represent.

J. C. AULD, Chairman.  
 J. B. COLLINS, Secretary.  
 Helena, Mont., Sept. 3, 1902.

**Republican County Convention.**

CHOTEAU, Montana, Sept. 13, 1902.  
 At a meeting of the republican county central committee, held in the town of Choteau on the 13th day of September, 1902, it was ordered that a republican county convention be called, and said convention is hereby called, to meet in the court room, in Choteau, on Thursday, September 25th, 1902, at 10 o'clock a. m., to elect 10 delegates and 10 alternate delegates to the republican state convention to be held in Great Falls on Saturday, September 27th, 1902, and to nominate a county ticket, and to select a county central committee, and for the transaction of such other business as may come before the convention.

Presidential primaries are hereby called to meet on Saturday, September 20, 1902, between the hours of 2 o'clock and 4 o'clock p. m., to elect delegates and alternate delegates to the said republican county convention, as follows:

**Hard Times At Monte Carlo.**  
 The proprietors of Monte Carlo, which has been duller this season than for years, ascribe the poor income of their tables to the great growth of gambling in America and establishment in Saratoga, America, of a gaming resort which is said to outshine Monte Carlo in attraction and in the attendance of millionaires. Americans have been notably absent from Monte Carlo during the summer and Schwab and others known to be in Europe and who visited Monte Carlo in the past, have not been seen at the tables.

**Will It Cure?**  
 A man has found in a scrap book the following recipe for curing smallpox, it having been printed in a western paper in the form of a letter, says the Bacon: I herewith append a recipe which has been used to my knowledge in hundreds of cases. It will prevent or cure smallpox, though the pittings are filling. When Jenner discovered cowpox in England, the world of science hurled an avalanche of fame upon his head, but when the most scientific school of medicine in the world—that of Paris—published this recipe as a panacea for small pox, it passed unheeded. It is as unerring as fate, and conquers in every instance. It is harmless when taken by a well person. It will also cure scarlet fever. Here is the recipe as I have used it, to cure smallpox. When learned physicians said the patient must die, it cured: Sulphate of zinc, one grain; fox glove (digitalis), one grain; one-half table-spoonful of sugar; mix with two table-spoonfuls of water. When it is thoroughly mixed add four ounces of water; take a spoonful every hour. Either disease will disappear in 12 hours. For a child, smaller doses, according to age.

**A Remarkable Record.**  
 Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty year, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as an adult. For sale by C. H. Drake.
