The committee on permanent organization reported the name of Geo. W Magee as permanent chairman of the convention and E C Garrett as secretary and U G Allen as assistant secretary and their report was adopted.

The committee on resolutions then tendered their report as follows and were adopted by the convention.

We the representatives of the republican party of Teton county, in convention assembled, in Choteau, Montana, this 25th day of September, 1902, make and hereby adopt the following declaration of principles:

(1) We hereby express our profound sense of grief and national affliction over the tragic death of our late beloved chief magistrate William McKinley and we denounce in unmeasured terms, anarchy in all its forms.

(2) We hereby reaffirm our allegiance to the principles embodied in the Philadelphia platform as set forth and adopted by the Republican National convention of 1900.

(3) We endorse and commend the wise, patriotic and statesmanlike administration of Theodore Roosevelt and we hail him as a worthy successor to his late lamented chieftain, and we anticipate with confidence continued prosperity throughout our nation under principles that have ever been the rallying cry of the glorious republican party—protection to American industries and labor, and the dollar that is as good to the plowholder as the bondholder.

4.—That we acknowledge this great county to be highly distinguished by the federal government in selecting it to become the first beneficiary under the national irrigation system and we pledge our renewed allegiance and support to the republican party which made such system possible.

5.—We endorse and commend the present republican officials of Teton county, and submit to the electors of this county that their respective administrations have been able and are entitled to the praise of their constituents.

6.—That the thanks of this convention are due to Hon. M. D. Cooper, chairman of the Teton county republican central committee, for his able and skillful management in carrying our party to its triumphant victory at the polls in 1900.

Upon the foregoing declaration of principles we confidently appeal to the voters of Teton county for their suffrages.
