Mrs. Jos. A. Baart went to Great Falls Wednesday morning in response to a message stating that her husband had been seriously burned and was a patient at the Columbus hospital. The report was circulated here that Mr. Baart's automobile had met with a mishap and had been destroyed by fire and that Joe had been seriously burned. Fortunately the report was only partially true. The accident happened in a garage at Great Falls, when a pan of gasoline caught fire in some manner and while throwing the burning pan out of the building Mr. Baart was slightly burned on the hands and about his face and neck. The auto was not burned at all, and the injuries to Mr. Baart, while painful, are not of a very serious nature. He is out of the hospital again, and is now back in Choteau.
