HERE AT HOME

Fishing tackle at Choteau Drug
store.

What time will the clock stop?
BOVEE, cigars and tobaccos.

W. G. Davis, of Sweet Grass,
was in town the first of the week,
accompanied by Mrs. Davis.
While here they were the guests
of Dr. and Mrs. Beaupre.

Miss Margaret Nagle, who
visited with friends in Bynum for
a few days has returned to her
home in this city.

Attorney Phil I. Cole returned
the first of the week from Lewis-
town, where he had been attend-
ing to business interests for
several days.

FOR SALE:—Heavy spring
wagon, 2 seats, canopy top and
side curtains. In good condition.
Inquire of Mrs. C. F. Green, Cho-
teau.

R. L. Robinson, of Conrad, was
arrested at a ranch near Great
Falls last week and brought to
Choteau where he is now confined
in the county jail. The charge
against Robinson is grand larceny,
it being alleged that he had
secured money on worthless
checks. His preliminary examina-
tion will be held before Justice
DeHaas on April 30th.

Ed Hodgskiss returned last
Monday evening from Alhambra
Hot Springs where he has been
for several weeks taking treat-
ment for rheumatic troubles. He
has been greatly improved by the
baths at that institution.

The Drake Drug Co's store at
Valier was broken into last Satur-
day night by burglars. Several
articles of minor value, consisting
of pipes, knives, watches, kodaks,
watch chains, finger rings, brace-
lets, etc were taken. The store
was entered by the breaking out
of a window in the rear door, thus
permitting the thief to reach
through the opening and unlock
the door. Sheriff Miller was noti-
fied Sunday of the happening
and with Under-sheriff Martine
went to Valier to make an inves-
tigation. They rounded up sever-
al suspects, searched some houses,
but were unable to locate any of
the stolen goods, and have no
definite clue as to the identity of
the guilty parties, although they
are satisfied the work was done by
local parties, who were thoroughly
familiar with the building. As
will be seen by an advertisement
in another column of the Montan-
an a reward of \$50.00 is offered
for any information leading to
the arrest and conviction of the
guilty parties.

E. J. Roberson has gone to
Spokane to look after business
interests for a few days.

Please do not bring us any
more scissors to sharpen or
razors to hone unless you want
reliable workmanship. Mission
pool ball barber shop.

Alfred Harris, the Dupuyer
merchant, was in the county seat
a couple of days this week trans-
acting business. He has but re-
cently returned from a visit to
California.

Brown & Leahy, who last year
had a contract on the grading on
the Milwaukee right-of-way from
Great Falls to Choteau and Aga-
wam, have shipped their outfit to
the Blackfeet Indian reservation,
where they have a contract on the
ditch being constructed by the
government for the irrigation of
Indian lands.

It has been announced that the
first baseball game of the season
of 1915 will be pulled off at Con-
rad next Sunday. The game will
be between Choteau players and
an aggregation from both Conrad
and Valier. Unless we have both
the umpire and scorer against us
in this game, Choteau should be
an easy winner.

J. W. Quail, of Dupuyer, and
George Therrien, of Spokane,
Wash., were in Choteau Wednes-
day on their way to Dupuyer
from Great Falls. Mr. Therrien
was formerly a resident of the
Sheep creek country, west of Du-
puyer, having sold out his farm
there a few years ago, but still
retains some live stock interests
in the Dupuyer country, which
he intends to look after during
his present visit.

Applications will be received at
the post office department up to
May 3, 1915, for the position of
postmaster at Kalma, Teton
county, a new postoffice to be es-
tablished west of Choteau at Wat-
son Flat. As soon as the post-
master qualifies the new postoffice
will be supplied from the Choteau
office on a rural delivery route to
be established. The Montanan
takes pleasure in nominating post-
master Krofft of this city for the
new position at Kalma. We're
willing to lose him regardless of
what Kalma may think about it.

Henry, the seven-year-old son
of John Kathman and wife, of the
Burton bench, had the misfortune
to have his right arm broken at
the elbow last Sunday. He was
at play with a couple of neighbor
boys who had assisted him in
hitching up a calf to a small cart,
and while driving around the yard
the calf became unruly and upset
the outfit, Henry being thrown
out, striking on his arm with dis-
astrous results. The boy was
brought to Choteau, where Dr.
Bateman, of the Choteau hospital,
reduced the fracture.

The Montanan's \$1.00 sub-
scription offer expires next week
—April 30th. If you want to
take advantage of it you have
only up to that night to do so. as
after May 1st the subscription
will again be \$2.00 the year. The
Montanan has added a large num-
ber of subscribers to its list dur-
ing the past few weeks but it is
not possible for us to pay the
expenses on issuing a paper at the
reduced price. This was in the
nature of an experiment, and to
add new subscribers to the list.
The offer expires next Saturday
night. If you want to take ad-
vantage of it you must have the
coin in the office by that time.
Old subscribers must pay all ar-
reages in order to take advan-
tage of the offer. New subscri-
bers can get the paper for one
year for \$1.00 if they remit by
that time.

G. H. Mulvaney, the cigar
maker who arrived here recently
from Missoula, has received the
necessary papers from the inter-
nal revenue department, and has
commenced the manufacture of
cigars in the room in the rear of
the Olson jewelry store, on North
Main street, in Choteau. Mr.
Mulvaney is an expert at his busi-
ness and if all of his cigars com-
pare with the sample he donated
to the Montanan, there is no
doubt about his building up a
large business in this section.
