Better Than a Magazine.

The arrangements recently perfected by the St. Paul (Minn.) Weekly Pioneer Press for original reading matter for the ensuing year make it more desirable than a magazine, because the Pioneer Press also gives the current news of the day.

Robert Louis Stevenson has written an intensely interesting story especially for the Weekly Pioneer Press. It begins next week and runs three months. Other stories every week by the most noted authors in the land. New Women's Department, Youth's Department, Fiction Department, Scientific Department, etc. Correspondents doing special work all over Europe. Notes and Queries Department still a feature. Send postal for sample copy and illustrated premium supplement, giving particulars of 311 valuable premiums, all suitable for holiday gifts. Something for every member of every family.
