CHRISTIAN SCIENCE

How spiritual perception of the true nature of man brings growth and progress will be set forth at Christian Science services Sunday. Scriptural readings in the lesson sermon on "Man" will include the following from Acts (17:24, 25): "God that made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands; neither is worshipped with men's hands, as though he needed any thing, seeing he giveth to all life, and breath, and all things." From "Science and Health with Key to the Scriptures." by Mary Baker Eddy, will be read the following (203:13): "Spiritual perception brings out the possibilities of being destroys reliance on aught but God, and so makes man the image of his maker in deed and in truth." The public is cordially invited to attend the Sunday services at 11 a.m., 2 South Washington Street.
