Youthful Bulldogs Surprise Malmstrom AFB Five, 80-67

Western Montana's youthful Bulldogs, displaying little semblance to the team which lost a one-sided season opener to Carroll here last week, grounded the high-flying Malmstrom AFB Minutemen, 80-67, here last night in a crowd-pleaser at the WMCE gym.

Coach Bill Straugh's Western club, with four sophomores and a freshman in the starting lineup, trailed only during the opening minutes. They knotted the count, 12-12, at the eight minute mark and never trailed thereafter.

The Airmen evened the game at 33-33 late in the first half but the home club came up with a sizzling shooting display to take a 45-35 edge at intermission.

Malmstrom cut the gap to 63-55 midway through the final stan-

za but the youthful Bulldogs maintained their poise—and lead—in basket accuracy and strong defensive play.

A brief flurry of fists enlivened the final phase of the game as Malmstrom went into a full court press. No casualties were reported.

Dick Silberman garnered game honors with a 19-point output for the winners. Big Chuck Johns, who battled beautifully on the boards, added 13 as did freshman sensation Jack Silliker. Guard Bob Sullivan hit 12 and Larry Schmautz and Dave McGahan 10 each.

Larry Reed, the Minutemen's fabulous forward, got 18 and drew repeated ovations with his court wizardry. Little Art Payne, a 5'7" backcourt phantom, came in with 16 to match big Harold Albritton, one of the game's steadier performers.

The setback was only the second in seven outings for the talent-laden flyers.

Jayvees Also Win

The freshmen-dominated Western Jayvees made it a two-way sweep with a 72-64 thriller over the Malmstrom second squad.

Jerry Asay and Cliff Neighbors potted 14 points each for the Bulldogs in the game which was nip and tuck until the final two minutes. Gary Moore netted 20 and Gene Richard 17 for the AFB.

Western travels to Salt Lake City this weekend for a two-game match with Westminster on Friday and Saturday in a renewal of their annual four-game set which has the Parsons appearing here January 4 and 5.

Snow Has .63 of Moisture, Take It Easy Driving

That heavy snow in our valley was general and the WMCE Weather Bureau reports it had .63 of an inch of moisture content. It looked like it might clear up at 10 a.m. Tuesday but Old Man Winter changed his mind and it snowed all day. Roads are in bad shape and motorists are warned to take it easy. The prediction for today is possibly more snow with some cooler. The temperature has been on the warm side with thawing but it freezes toward evening.

Were You With Famed 83rd Infantry Division?

The famed Thunderbolt Division, 83rd Infantry, is again conducting an extensive search for some 30,000 former members who served with this unit in World War II.

Cause for the search is the upcoming 17th annual reunion to be held at the Hotel Claypool, Indianapolis, Ind., Aug. 15-16-17.

Victor E. Landis, national publicity director of the 83rd Infantry Division Association, said the 30,000 figure represents the number of former members who have not been contacted since the end of the war.

They are urgently requested to contact the national secretary, Harry Lockwood, 43 Oakland Ave., Jersey City 6, N. J.

Beaverhead Tourism Shows Increase Over 1961

A marked increase in tourist travel throughout the Beaverhead area was disclosed this week by Avery Conine, secretary manager of the Beaverhead Chamber of Commerce.

According to registration records at the local museum, an even 6800 visitors had inspected the museum's highly interesting collection of historical data from January 1 through October 31.

This compares, Conine said, with a total of 6526 visitors for the entire year of 1961 and indicates the growing importance of tourism to the Beaverhead economy.

Dillon Cable TV Adding New Channel Monday

Television viewers subscribing to the Dillon Cable TV network will soon have their fifth channel available, according to Ken Penwell, manager of the local TV firm.

KUED Channel 7, originating out of Salt Lake City, is being added to the present stations and hook-up is expected to be completed here by Monday, Penwell said.

An educational channel affiliated with National Educational Television, the new addition will offer college-accredited courses in a wide variety of subjects and may be viewed over Channel 3 on local receivers.

Program listings for the new channel will be found in the Cable TV Schedule, a regular Friday feature of the Tribune-Examiner.

American Legion Auxiliary Plans Christmas Party Monday Evening

The Beaverhead American Legion Auxiliary will hold its annual Christmas party Monday evening at 8, with members and friends bringing gifts for distribution by the Fort Harrison Gift Shop.

The evening's program will be in charge of the Rehabilitation Committee which includes Florence Gilbert, Jessie Smith, Genevieve Albertson, Ann Mitchell, Georgia Deputy, Iola Draeske and Charity Hill. They will also arrange for transportation of the incoming gifts to the Fort Harrison hospital on Tuesday.

Christmas gift shops in the hospitals afford the joys of Christmas giving to thousands of hospitalized veterans who otherwise might be unable to share in the season's gaiety.

Costs Taxpayers Less to Support Boy Scout Than Have One Non-Scout Sent To Prison-How You Can Help Program

Hospital Notes

Barrett Hospital

Admitted: Charles Daniels, Dillon; Easton Claridge, Twin Bridges
Dismissed: Mrs. Virginia Knaebel and son, Dillon.

Butte St. James Community

Admitted: Joe A. Masola, Michael E. Templeton, Dillon.

Back a boy. He costs \$10. That is the average amount it costs each Boy Scout Council in Montana to provide Scout training for one year to each boy enrolled, according to figures recently released by Gov. Tim Babcock.

A lot of Beaverhead boys belong to the Cub Scouts, Boy Scouts or Explorers. We could support the whole bunch of them for much less money than it costs taxpayers to keep one non-Scout in Deer Lodge Prison for a year.

Scouting may be supported in many ways—by an annual pledge, a gift to their trust fund, a cash contribution, or a calf. (The boy Scouts have a registered brand and Wayne Montgomery, a council vice president, is heading up the "Calf Club" program in this area.)

Ten years ago the Vigilante Council had two paid men serving 1,930 boys and leaders for \$15,582. Today two men serve 3,448 boys and volunteer adult leaders for \$15,556. Where else could you get a bargain like that?

The last time folks in our county had a chance to contribute to the Boy Scouts program was back in 1958. Maybe it's time we took care of our own.

Farm Bureau Enjoys Meeting in New Schoolhouse

By DUKE DAVIS

In jotting down notes for the minutes of our last meeting which was held the night of November 23, someone suggested I send a report to the Tribune-Examiner. This was our first meeting in the new school house at Grant. The occasion, therefore, was of special interest to most everyone in the community and there was a good attendance.

The meeting was conducted by the president, Evan Huntsman, and started with the reading of the minutes of the previous meeting. But adjournment came very soon and the entertainment committee, headed by Elmer Selway and wife June, took over. From then on it was strictly fun and laughter for both old and young.

The principal amusement was bingo and there seemed to be no end to the tempting prizes that had been provided for the lucky players. I noticed, however, that some who did not win were recipients of prizes from those who were extra lucky, and we add, most generous. There was also a "fish pond" in operation which drew a share of attention.

As to the new building: With my casual observations and limited knowledge, I can only venture the assertion that in architectural design and materials used, it is modern in every particular and follows a pattern that is much in vogue for school construction in other parts of the country.

The spacious and inviting Community Room where our festivities took place seems quite adequate for any occasion that may arise.

Incidentally, the proceeds from bingo, etc., added up to \$101.85, which will be used for the purchase of dishes and utensils for the Community Room. The hour was getting late and the youngsters were showing signs of sleepiness, but we had another pleasant—a delicious lunch. Then we called it quits for the night.
