Greece Definitely Joins with Allies

Greece has been urged by the Allies to send supplies to the Allies and to declare war on Turkey.

The decision of Greece to join the Allies was announced at a meeting of the Balkan leaders in Bucharest.

The United States would send troops to Greece if it declared war on Turkey.

The war in the Balkans is expected to change as Greece joins the Allies.

Battleship is sunk

The battleship USS Arizona was sunk by a mine in the harbor of Espiritu Santo.

The Arizona was part of the US Navy's Pacific Fleet.

The world is mourning the loss of the Arizona.
